"The workshops were brilliant & were just what we were looking for"

Student workshops for primary, secondary and sixth form

Our delivery is fun, interactive and explores the inclusion of **gender, gender identity and sexual orientation.**

We actively engage students in discussion around language, law and social justice through films, group work, songs and books. We create a safe environment to ask questions and encourage support and respect for each other.

Register at: www.educateandcelebrate.org/workshops

£150 assembly or lesson / **£300** half day / **£500** full day
